Service to God, Service to Others, Service to the World

Encouragements from Your Pastor

God's Servants never retire, we just change job descriptions!

It's easy to forget that Moses didn't start significant ministry in his life until he was 80 years old.

He spent 40 years as crown prince of Egypt, no doubt with dreams of greatness filling his head and the next 40 years tending sheep in the desert most likely with regret and broken dreams filling his heart.

He was probably looking forward to quiet days, but one day a bush was burning and he went on to accomplish the most significant ministry of his life.

Last time I checked there aren't any burning bushes around the church or our community, but there are many hurts, ministries, and opportunities where God wants to use you like He did Moses to make a lasting difference.

Trust God like Moses did, try something new, and make this season of your life the most meaningful ever!

So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering.
