Celebrate Mothers

opportunity #1

To celebrate moms and how they help us grow as people and in Jesus, this card is a little gift that will grow!

There are tiny seeds in this paper made from the Lotka plant in the Highlands of Nepal.

The seeds are a mixture of flowers including poppies, daisies, and primroses.

Just put in the garden or pot, cover with 1/8 in. of soil and keep moist.

Review on how to make the most of Mother's Day

- Make the most of this wonderful day by doing these things. . . .
- Remember, flowers are wonderful; chocolate is a joy, but the best thing a child or a spouse can give a mother is faith in Jesus
- And the best things a church can do are:
 - Help Moms share the good news about Jesus with their kids
 - Help Moms become involved in ministries that will help them grow in their relationship to Him.
